A BRIEF HISTORY OF VILAMOURA

For centuries Vilamoura was just a fishing village, on the edge of a long beach surrounded by pine forests.

D. Dinis granted it a charter on November 15th 1297. During the 15th century, D. João I ordered the first experiments to grow sugar cane here.

The resort of Vilamoura was founded by Portuguese banker Cupertino de Miranda who, with the then management company Lusotur started initial planning and building in 1966.
